Upland 'Lucky' in storm

"We were very lucky in the City of Upland" said Stewart Devers, assistant superintendent of the City Street Department, of the weekend storm which soaked Southern California.

Devers said the only road closed during the storm was East 19th Street near the city limits. A dip is located there which had water and there was some debris on the streets.

He noted that Campus Avenue looked bad in places, but that this was due to the undergrounding of utility lines and not because of rain problems.

Upland measured 3.50 inches in the storm bringing their current season to 4.60. Last year to date the total was 1.19 inches.

Police auction Saturday

The Upland Police Department will hold its annual auction of unclaimed property on Saturday, Dec. 5, according to John Wessely, Chief of Police.

The public auction will be held in the parking lot north of police headquarters and will begin promptly at 10 a.m. All property, except firearms, which has been unclaimed during the past year will be sold to the highest bidder.

Among items to be sold are numerous bicycles and bicycle parts, stereo tape players, stereo tapes, automobile tires and miscellaneous home and auto accessories.

About voting

Some people say, "Why register and vote?"

This is why.

1. It is easy. In California, all citizens are expected to register and vote.

2. Your vote and the votes of other people can help change the way we live.

3. The people in government do listen to people who vote. People in government are paid taxes. They are paid to work for the good of all the people.

4. It is only by the votes of the people that a law maker can be elected to office. Your vote also tells a law maker how many people like, or do not like, what he is doing.

Que me gano con registrarme y votar?

Si Ud. se ha hecho esta pregunta, lea cuidadosamente las siguientes lineas:

1. En primer lugar, en California el voto es una obligacion civica facil de cumplir y un derecho importantisimo.

2. Con su voto, Ud. puede contribuir al mejoramiento de sus condiciones de vida.

3. Los votos quitan y ponen gobernantes, y estos se interesan por los que votamos por ellos.

4. Sin el apoyo de nuestros votos, los legisladores no pueden legislar en favor nuestro. Ademas, los votos les indican claramente nuestra satisfaccion o descontento con su labor legislativa.

Si, Senores: Vale la pena registrarse y votar!

Registration Hours will be:

Friday, Dec. 4 - Upland Post Office, 498 C St., 2-5 p.m.; First National Bank of Upland, 195 N. 2nd Ave., 3-6 p.m.; Bill's Ranch Market, 12881 E. Foothill Blvd., Upland, 6-9 p.m.

Saturday, Dec. 5 - Builder's Emporium, 229 E. Foothill Blvd., Upland, 10 a.m. - 4 p.m.

Out of my mind

BY JENNY KIRKPATRICK

Everything you wanted to know etc.

Everything you wanted to know, etc. Don't you get tired of the current trend of "Everything You Wanted to Know, but Were Afraid to Ask

About?" I'm for a new trend called "Nothing You Ever Wanted to Know About Anything Ever and Have Sense Enough Not to Worry About It."

Woman's Lib in reverse

Have you noticed that while women are pushing to be liberated like men, males are invading what was once the woman's world.

For instance, there are men hairdressers, dress designers, (wonder who

designs men's suits?), men cooks, galloping and otherwise, men teachers in the kindergarten, when they used to never teach below sixth grade, and male nurses -- to name a few.

Where it will all end, no one knows.

Prisoners of War

We are so pleased with the response to our Prisoner of War letters and so proud of our readers who have taken time to sit

down and write them. Please give a few minutes of your time to write a letter to free prisoners of war in Vietnam.

Santa arrives

Attention to all children from 1 to 100, it's time to check your good behavior chart, as Santa will arrive on the 4th of December in Upland via a surrey, on the 9th in Montclair in a helicopter, on the 19th in San Dimas on a float, and on Christmas Day in La Verne, he will ride around town on a fire engine borrowed from the fire department and dispense good will and candy to all.

The towns are helping

Santa's arrival by donning their Christmas finery. Montclair has sparkling green garlands. Upland has red and green wreaths. San Dimas has new decorations consisting of bright gold and red wreaths and trees with a decorated Christmas tree at each entrance to the city, and La Verne has overhead hangings with a children's Christmas tree in the center of town and luminaries lining the sidewalks.

Psst

Jingle bells are on the way. Can the big Day be far away? No, it can't as there are 22 shopping

days to Christmas. Give something different this year, your time and involvement to a worthy cause.

Car rallye for tots

An open car rallye will be held Saturday, Dec. 5, with the proceeds going to benefit "Toys for Tots." Registration begins at 6

p.m. with the first car out at 7 p.m.

A donation of one toy will be the only fee for running in the rallye. The toy should equal \$3 in value and not be gift wrapped.

The rallye will be held at the Eastland Shopping Center parking lot.

Trophies will be awarded to winning cars. For further information call Terry, 337-7072.

Readers' forum thank-you

To the Editor:

I, Nick Nicosia, chairman of the Forget-me-not campaign, wish to thank you and your staff on behalf of the Disabled American Veterans, Chapter 9, Pomona, for the cooperation given us on our Forget-Me-Not Program this past Veteran's Day.

The Forget-Me-Not days in the city of Montclair were a great success. It was possible because people like you had combined their time and service to this program.

I'm happy to inform you our proceeds amounted to \$434.25 in the city of Montclair. That is a good sign that people in our community have not forgotten ill and severely injured men and women that are less fortunate than we are.

A. J. Nicosia

Dear Mrs. Kennan:

We were pleased to hear that you had a "good day" as you "ran across both Dick Flores and Jesse Castellano." We certainly ARE proud to have them on our team. Also, we are always pleased when others notice the dedication and excellence of members of our staff. We have many who fit this description; and, certainly, Mr. Flores and Mr. Castellano are two of our finest. Thanks for providing them this deserved recognition in your column.

Speaking of recognition, we thought you'd be interested in knowing that Mr. Flores spent the Thanksgiving Vacation in New York, serving as a consultant in bilingual education for one of the large educational publishing firms. We knew you'd be pleased by this additional recognition for one of our "favorite people."

Thank you again for your interest in our schools and our staff members.

Sincerely,
James T. Johnson, Jr.

UTC merchants meet

At a recent meeting of the Upland Town Center Association plans were outlined for Christmas-oriented activities in the kiosk beginning with the arrival of Santa in a sledge at 7 p.m. tomorrow, Dec. 4.

Parking problems in the downtown area have been under discussion between merchants and the city administration according to Jack Atwood, who emphasized the importance of getting customers in and out of the UTC area. He suggested a 2-hour time limit aimed specifically at vehicles that remain parked all day and suggested that certain areas in the parking lots adjacent to the town center be designated for all-day parkers. Addition of a meter-maid was suggested.

Ralph Laycock suggested that something be done to keep the merchant area cleaner and suggested that each merchant take the responsibility for the sidewalk area immediately adjacent to his business and keep it swept or at least litter free. He also cited the increasing problem of roosting pigeons.

Cultural Center Christmas

UPLAND -- The annual Christmas Party for children will be Sunday, Dec. 6, from 3 to 5 p.m. at the Chaffey Community Cultural Center, 525 West 18th St., Upland.

A green tree strung with cranberries and decorated with gingerbread men and popcorn balls will set the theme for Christmas memories according to Mrs. Althea Correll, program chairman.

In charge of displays and decorations is Mrs. Kenneth Powell of Upland. Each month the settings are rearranged to set the mood for the variety of programs held at the Cultural Center. A large table will be set for an old fashioned Christmas dinner scene. Baskets holding red and white barber pole candy canes will be filled with the treats for all youngsters attending the party.

A surprise program is planned for the children. Mrs. Howard Clark of Upland, membership chairman for the Cultural Center, invites the young people to begin the new year by joining the organization to preserve the

rich cultural history of our forefathers.

In order to maintain the services to the museum, membership is a definite prerequisite in helping to keep the Cultural Center open to the public.

Mrs. Beatrice S. Riggs of Ontario, President of the CCCC welcomes interested West-Enders to join the organization in order to share in the community programs planned for future dates.

Among these will be programs featuring the "Early History of Upland"; The Daughters of American Revolution Tea; a program featuring "Bonsai" plants; a pioneer days with horseless carriages; and a historical bridal show.

Tours at the Center may be arranged by calling 986-8049. Of particular interest now on display are two cases of minerals and fossils presented to the CCCC on behalf of the Bear Gulch Rock Club.

The rocks, minerals, and fossils housed in the museum are from the Marble Mountains, Cadiz, and Kingston Mountains.

Children's play

Dishwasher competes for princess

ALTA LOMA -- A children's play loaded with fantasy and farce is slated for 10 a.m. and 2 p.m. performances, Dec. 19, in the Chaffey College little theater.

The play is George Garrett's "Sir Slob and the Princess," which concerns a dishwasher who dares vie for the hand of a king's daughter and so proves that knighthood has gone to pot.

In fact, to pass himself off as a knight eligible to compete for such a royal prize, the humble scullion adorns himself with a kitchen pot for a helmet plus a trash-can lid for a shield.

Armed with a mop-handle lance and accompanied by a horse that talks, this counterfeited paladin succeeds in his quest where his "fellow" knights have failed. Sir Slob deals handily with a

giant, a witch and a numbing of other weird characters.

In the lead roles of this travesty, directed by Ralph Strane, are Uplanders David Golbeck and Audrey Davis. Other principals are Brenda Garrett, Ontario; Jeff Bigelow, Dixie Murray and Don Johnson, all of Upland, and Gabriel Messner, Fontana.

Admission is free. Reservation tickets are

now to be had at the Creative Arts Division office here.

Tickets may be obtained also by sending a postage-stamped self-addressed envelope to the Drama Department, Chaffey College, 5885 Haven Ave., Alta Loma 91701. Note number of tickets and performance time desired.

Surplus tickets will be available at the door on the day of the event.

Caborcan holiday

Southern visit warm

BY BOBBE MONK

CABORCA SON -- Everywhere you looked there were smiles.

From the smallest child to the oldest grandmother, to the city officials to the people along the street, the impression of Caborca that stands out is smiles.

My family and I journeyed to Upland's Sister City to "cover" the appearance in that city of the "Swinging Joes Square Dance" group from St.

Joseph's Catholic Church for the Upland News.

We arrived in Caborca Friday evening after taking a day and a half to make the trip. Preceding us there were Mr. and Mrs. Tom Lucero and four of their six children and Mr. and Mrs. Harvey Stone. Lucero is president of the Town Affiliation Association and Stone, along with William Rugg, was instrumental several years ago in helping Upland decide on Caborca as its sister-city.

Arriving later on Friday, after a day-long trip were the 17 men, women and children from the Swinging Joes.

The Stones and Luceros had arrived in time to attend the Wednesday evening meeting of the Rotary Club of Caborca, where they were warmly welcomed. Stone is president of the Upland Rotary Club. On Thursday they were hosted at a luncheon.

Friday evening the main group arrived just in time for another evening of festivities which included a meal of several courses and entertainment.

Saturday after a morning of resting and shopping the whole group met at noon for an afternoon tour of places of interest in and around Caborca. Top on the list was the Leche Buena Dairy just outside of town.

Given the grand tour, everyone viewed the modern, well-run dairy which compares so well with those in the United States. In fact so good is the product they prepare that Americans along the Mexican-American border are known to come across just to buy milk for their families.

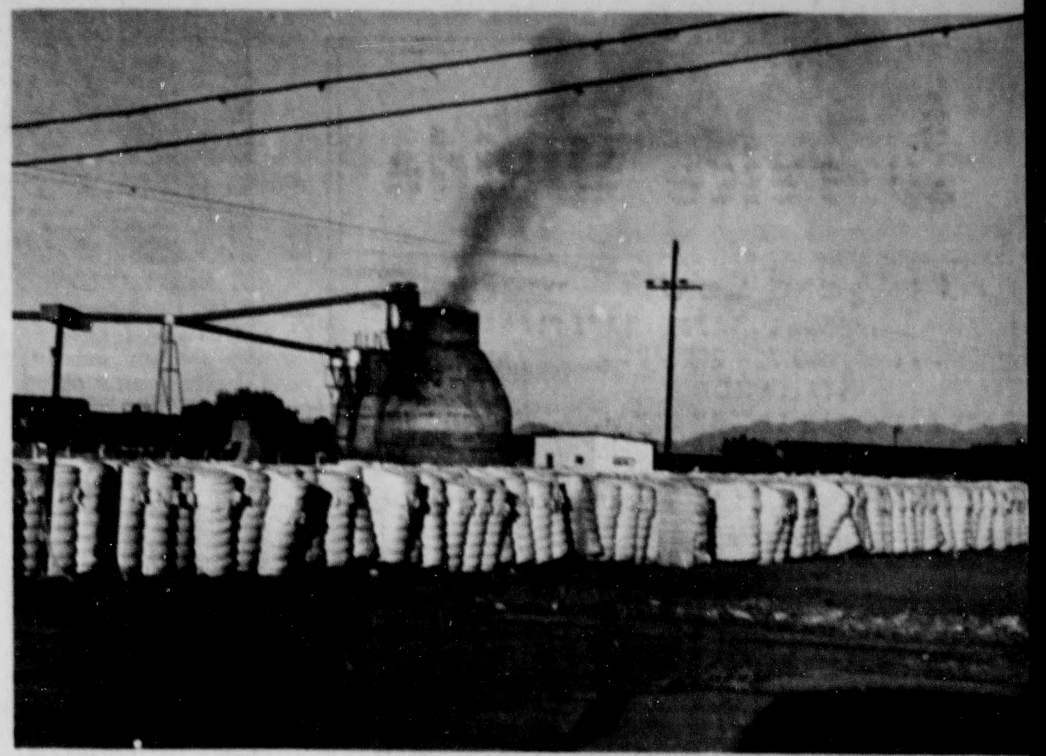

A tour of the old Catholic Church followed where Caborcans stood off bandits in the 1800's. Later, the church was ravaged when Catholicism was repressed. It is still used by some of the older Caborcans for prayer, especially on Easter. It is planned for a museum in the future.

Shopping in Caborca ended the afternoon. Touring the city, striking similarities to Upland are noted in that a kiosk located in the center of the town, although within a park and a main double-drive lined with trees somewhat similar to Euclid Avenue.

Caborca, named after a hill just outside the city which looks like an upside down basket, is far from "upside down" in its approach to the present or future.

Modernity meets the eye everywhere from the Edificio Municipal, new government building, to the stop lights at the main intersections, to the Pomona manufactured Wayne Street sweeper seen hard at work, the neatness of the many shops throughout the city.

Saturday evening it was the Uplanders turn to entertain. The square dance

Dining together

ers provided better than 45 minutes of whirling and twirling for the large crowd of Caborcan families in the city's 20-30 Club.

Mrs. Bill Eagleston was caller for the group, singing the calls in English, but announcing the dances in Spanish for the benefit of the audience.

Young people from Caborca entertained during the dancer's rest stops, providing a musical shoot-out in a canteena and a duo rope-jumping performance.

The large crowd watching the entertainment grew a standing-room-only before the evening ended.

Sunday morning saw the departure of most of the Uplanders, warmed by the Mexican sun and the friendliness of the Caborcans.

The ACT battery is for use by the student, his counselor, and his parents in helping them to decide what college and what courses he will attend.

The SAT test was given on Nov. 7 and Dec. 5. It will also be given Jan. 9, April 17, May 1 and July 10. The cost for the SAT is \$5.50 and for the achievement test is \$8.50.

The SAT test is required by many colleges and scholarship sponsors to be used in evaluating the student's ability to do college work. This evaluation includes school records and other sources.

Students can obtain registration packets and other informational materials from the high school guidance staff.

Bonita wins CIF squeaker

LA VERNE -- In a driving rainstorm that soaked every spectator, made the orange Coast College football field a bubbling bog wallow, and surprisingly enough, resulted in few fumbles, the Bonita Bearcats won a cliff-hanger from the Estancia Eagles, 15-14, in CIF competition.

By this time the statistics are no longer of interest to any but the computer-minded, but looking back to the extremely narrow victory, there were several factors involved that now loom as no difference between victory and defeat.

Those are: the blocking of a conversion attempt by Bonita's reliable Craig Iaren. One point saved. Iaren also recovered a fumble later in the game to stall an Eagle drive, several critical first downs racked up by Mr. Touchdown Allen Carter and his new-found backfield running mate Vic Slatch. Carter's grinding yard thrust to get him ram on the board with :08 remaining in the first frame and trailing by 6, Sergio Leal's extra point kick that gave Bonita the lead, but only until 3:46 of the 2nd frame when the Eagles made a stunning comeback on a 46-yard pass play capped by a 2-point conversion pass that

made the score 14-7. Then the series of events occurred that put teams into next week's game.

The Bearcats fought back and Gregg Thompson, subbing the second straight week for injured Ray Anderson, made a phenomenal second effort after hitting a brick wall, and somehow managed to get over the goal line. This forced the Bearcats to decide on whether to go for the tie or go for broke. Coach Larry Zeno doesn't like ties, and instructed Ray Anderson to get in the game and go for two. Anderson, on a painful knee, swept around his right end, led by some fine blockers, was hit hard on the 7, continued to spin and crashed into the end zone and the Bearcats were in the lead.

Later reserve punter Don Rees was instructed to fake a 4th down kick and go for the first. It ended in disaster as he was thrown for a 25-yard loss, and the Eagles smelled a shot at paydirt. They came out throwing and on a strike to the Bearcat end zone, that was all but safely tucked away, old number 11 for Bonita, Rick Gran, came out of nowhere and not only hauled down the slippery ball, but rambled

deep into Estancia territory to breathe new life into the Bearcat hopes.

After being forced to give up the ball shortly after the Eagles dug in, Bonita again took a stand against the expected aerial bombardment that came shortly thereafter, but another ball-hawk, named Curtis Frick, crushed any chance the other "Comeback Kids", Estancia, had of pulling it out.

The Eagles were so visibly crushed at the loss they walked out on the Bearcat's Alma Mater, which isn't the kosher thing to do.

The Bearcat stars were many: Brad Baughmann, Steve Branam, Fritz Sahl, Steve Gaylord, Phil Aris, Dan Rodriguez. Also playing one of his finest games of the year was old 67, Hank Walther. Dave Shamblin lost a TD on a penalty that would have eased the great pressure.

Now it's the Lompoc Braves, who have speed, size, determination and a tremendous spirit. They are the champions of Santa Barbara County and served notice after their Friday night rout of Kennedy, that they fully expect to tomahawk the Bearcats and feast on the remains Friday night.

The Bearcats will be home team against the Braves, and the site of the game is Citrus College, Friday at 8 p.m.

Flag football results

MONTCLAIR -- According to A. Antonelli, City of Montclair Recreation Director, final games were recently completed for the Montclair Elementary School Flag Football Program.

The after school program for fifth and sixth grade boys was sponsored by the Recreation Department.

Following are the final standings: Sixth Grade

Kingsley A team, won 4 and lost 0; Lehigh, 3-1 Moreno, 2-2; Kingsley B team, 1-3; and Margarita, 0-4. Fifth Grade results were Moreno, won 4 lost 0. Kingsley A team, 3-1;

Lehigh, 2-2; Kingsley B team 1-3; and Margarita 0-4.

Over 150 boys took part in the program. There will be continued after

school activities for fifth and sixth grade boys and girls during January and February. Basketball and volleyball will be included.

YMCA basketball league

The Diamond Bar-Walnut YMCA Basketball League will kick off its season on Saturday, Dec. 5, according to Chuck Nunn, League Commissioner for the YMCA.

There are 22 teams in divisions with over 190 boys participating.

There are 8 teams in the American Division for 4th and 5th grade boys; 8 teams in the National Division for 5th and 6th grade boys; and 6 teams in the Continental Division for 7th and 8th grade boys.

For the first half of the season, the American and National divisions will play at Lorbeer Jr. High school on Saturdays from 5 to 5 p.m.; the Continental Division will play at Walnut High School on Saturdays from 1 to 4 p.m.

Apparently a great need is being fulfilled with over 3 per cent of eligible boys in Diamond Bar and Walnut participating in the YMCA Basketball League.

Following is a list of

coaches and teams in the three Divisions of the League:

Continental Division: Celtics, Jim VerSteeg, Knicks, Fred Leitz; Lakers, Ted Warning; Rockets, Clint Park; 76'ers, Tom Roule; Warriors - open.

National Division: Bucks, Dick Vind; Pistons, Bob Greer; Suns, Curtis Miller; Royals, Ray Jaurequi; Sonics - open; Bullets, Bill Bramell; Hawks, Don Tweedie; Trail Blazers, Skip Walker.

American Division: Bruins - open; Trojans, Frank U'ren; Aztecs, Cecil Holman; Indians - open; Huskies, David Castro; 49'ers, Ken Mismi; Golden Bears, Jack Devers; Cougars, Phil Morlock.

The YMCA Basketball League Committee is composed of: Chuck Nunn, Commissioner; Dick Vind, Harry Blumberg, Clint Parks, Jim VerSteeg, and Phil Morlock.

Gail Goodrich clinic

LA VERNE -- La Verne aycees will sponsor a Gail Goodrich Basketball Clinic as a prelude to their youth basketball season. The clinic will be held in the Bonita High school Gym at 10 a.m. on Saturday, Dec. 12.

All boys between the ages of 10 and 14 in La Verne may attend this program, in which Los Angeles Laker's Gail Goodrich will present the boys with some of the inner points of the game. Goodrich was the number one selection of the Lakers in the 1965 collegiate draft. He came to a club which already had

a backcourt of West, Hazard and King. At 6'1" he was the smallest of the quartet.

In the 1968 NBA expansion draft the Phoenix Suns grabbed Goodrich and made him a starter.

When the Laker backcourt was thinned out through another expansion draft Coach Joe Mullaney wanted Goodrich back.

"He's the kind of guard we need," Mullaney commented. "He moves the ball well. He can get it up the floor under pressure and he penetrated very well. He's a proven shooter..."

Peter M. Stewart, Pomona Valley field representative for the Salvation Army, and Robert Stubler, manager of Colonial Savings' Claremont home office.

WE LIKE TO PLAY WITH TOYS! (doesn't everyone?)

We think they do—

and that's why we've gotten together with the Pomona Valley Salvation Army to put on the most dazzling toy show ever staged this side of Anaheim, Azusa, and Cucamonga. You see, even though everyone likes to play with toys, there are many families in our Pomona Valley who are likely to be just too hard-pressed this year to be able to afford any for their kids.

That's where our toy show comes in.

Called "Christmas Toys—1970," it features the newest and most spectacular toys being made by the nation's leading toy manufacturers today.

The idea behind it is threefold.

First and foremost is our hope that through it we can call attention to the Salvation Army's urgent need for the donation of new or used Christmas toys for the children of needy families in our area. Secondly, we wanted to let you know that the Salvation Army has declared Colonial Savings as its official Pomona Valley Toy Collection Center from now right up until Christmas during their drive this year.

And last, but not least (as the saying goes), we want to give everyone a chance to see the toys that are available this Christmas before they make up their shopping lists or put in their orders to Santa.

Come play with our toys.

Whether you're a big kid or just a big daddy, we're sure you'll love the opportunity to see demonstrations of some of the wildest playthings ever invented. Things like a motor-driven car that you control with a single beam of light. Or how about dolls that not only walk and talk but whose hair grows longer or shorter right before your eyes!

Then there are electric motorcycles you can ride around the room, target guns that shoot a harmless column of air for hundreds of feet, toy ovens that actually bake cakes, robots, gyro-tops, games, road-race sets, and dozens and dozens of other exciting toys by such manufacturers as Eldon, Topper, Kenner, Mattel, Wham-O, E. S. Lowe, Aurora & G-Whiz. And if you play your cards right, we'll even let you play with them yourself and we promise that no one will make fun of you for doing it. (That in itself should make it worth the trip!)

By the way, be sure and bring the kids.

We know you'll love playing with our toys, but please don't forget that kids like to play with toys too. So be sure and bring them along. Then while you're toying with our playthings, Junior can present his requisition list to old Santa Claus himself who'll be there to see that everything goes right.

Free color portraits and other goodies.

And if you're looking for an unusual Christmas gift for Grandma this year, and you think she'd enjoy seeing Junior's face beaming down from her mantel, here's a chance to do something about it at no cost.

Every youngster who consults with Santa at "Christmas Toys—1970" will receive a beautifully framed, full-color photographic portrait of him or herself with the gentleman—*absolutely free!* This in addition to free candy canes and free helium-filled balloons for everyone.

Only one week.

So plan to attend "Christmas Toys—1970" in the exhibit wing of Colonial Savings Claremont home office today. It will only last for a week and we know you won't want to miss it. Hours are from 9 a.m. to 4 p.m. daily—Monday, Dec. 7, through Thursday, Dec. 10—and till 6 p.m. on Friday, Dec. 11.

Free admission.

Admission is free of charge or obligation whatsoever. But we do hope that when you come you'll bring along some kind of new or used toy for a child less fortunate than your own. We feel sure it will go a long way toward making your Christmas and theirs a whole lot brighter.

Weatheral-Fisher

CUCAMONGA-The engagement and 1971 wedding plans of Jeanne Marie Fisher and James William Weatheral were announced recently by her parents, Mr. and Mrs. Milton H. Fisher, 8553 Red Hill Country Club Drive, Cucamonga, at a dinner party in their home.

May 1 has been selected for the marriage. The couple will exchange vows at 2 p.m. in St. George's Catholic Church, Ontario.

Miss Fisher is a 1966 graduate of Upland High School, where she belonged to the drill team

and was secretary for the Future Homemakers of America.

She was graduated in 1969 from Chaffey College, Alta Loma, where she majored in police science. She is secretary-treasurer of the Gamma Psi Sigma, a law enforcement fraternity. Miss Fisher is a police and fire dispatcher for the City of Upland.

Weatheral is the son of Mr. and Mrs. John C. Hill, of 1800 W. 11th St., Upland. He is employed by Lockheed Aircraft Service, Ontario.

He attended Montclair High School, and studied

Jeanne Fisher

electronics at Chaffey College, Alta Loma.

UPLAND - An evening ceremony at Redeemer Lutheran Church, Ontario, attended by 125 relatives and friends was the setting for the nuptial vows exchanged by Miss Sandra Jane Cassell, and Michael Jeffrey Nauman.

The Rev. Kenneth R. Molnar, pastor of the church, officiated.

For the ceremony, the bride, daughter of Mr. and Mrs. Harold Cassell of 1523 Shelley, Upland, wore a floor-length velvet gown styled in an A-line with empire waist and Juliet sleeves. Her mantilla headpiece ended in a chapel train and she

Nauman-Cassell

carried a bouquet of white daisies. She was given in marriage by her father.

Standing with the former Miss Cassell was Miss Vickie Rhymer of Norco and bridesmaids the Misses Donna Ranney of Upland and Carol Rathbun of Whittier.

The bridegroom, son of Mr. and Mrs. William D. Nauman of 358 E. 14th Street, Upland, had as his best man Thomas Hermes of Upland. Ushers were John Vanden Heuvel and John Nauman of Upland and Steven Cassell of Huntington Beach.

Miss Candle Brinkworth was flower girl and Victor Skuarna was ring

bearer.

The reception following the ceremony was held at the church.

After a four-day trip to Palm Springs, the couple established their home in Upland.

The bride is a graduate of Upland High School with the class of 1969. She is attending Chaffey College and majoring in business.

The bridegroom is also an Upland High School graduate with the class of 1969. He is majoring in business administration at Chaffey College and working as a salesman at Ole's Hardware in Upland.

Andrews-Burch

UPLAND-A double ring wedding ceremony at St. Luke's Lutheran Church in Claremont was the setting for the nuptials uniting Miss Laurel Susan Burch and William Hayward Andrews.

Officiating at the candlelight rites were the Reverend Arthur Graudin of Claremont and Kenneth Molnar of First Lutheran Church, Ontario.

Given in marriage by her father, the bride wore a floor length gown of silk organza with a full chapel train, fitted bodice with long lace sleeves and a half-elbow veil held by a spray of organza daisies. She carried a

bouquet of daisies, baby's breath, and stephanotis centered by a white orchid.

Matron of honor was Mrs. Larry Horak of Cucamonga, sister of the bride. Both are the daughters of Mr. and Mrs. Crawley Burch of Upland. Bridesmaids were Mrs. Gerald McGerick of Chino and Miss Linda Shinn, junior bridesmaid, of Alta Loma.

Standing with the bridegroom were William L. Saeffey of Claremont as best man; Curtis Earley, Calamesa, and Peter Andrews, Claremont, brother of the bridegroom.

The reception following

the nuptials was held at the church. Mrs. Bradley Shultis held the guest book and the Mmes. Eldon Cochran, Helen O'Brian and Charles Rupert served the guests.

The bride is a graduate of Upland High School and is employed by Sun-kist Growers, Inc., as a secretary.

Mr. Andrews is a graduate of Claremont High School. He served four years in the U.S. Navy and is employed by Alcoa in Corona. He is the son of Mr. and Mrs. Hayward Andrews of Claremont.

The couple has established a home in Upland.

Henshall-Fritsinger

UPLAND - White, yellow and bronze gladiolas and mums decorated the Ontario First Baptist Church for the wedding of Debi Jean Fritsinger and James Edgar Henshall late in October.

The double ring ceremony was performed by the Rev. Hardin Rowland and the Rev. Gary Barmore.

The bride is the daughter of Mr. and Mrs. Fred J. Fritsinger of 1260 N. Grove Ave., Upland. Mr. and Mrs. James D. Henshall of 16113 Sepulveda Blvd., Hollywood are the parents of the groom.

The headpiece was trimmed in gold and the floor-length tulle veil was fashioned under the chin to a Juliet cap. She carried a three-orchid bridal bouquet.

Serving the bride were Leslie Hayes, Imperial

Beach; Marilee Wake, Upland; Caryn Stillion, Palmdale; and Janet Henshall sister of the groom. They wore gold lutzon gowns with cape sleeves.

Candlelighters were Denise Fritsinger and Tim McCafferty.

Best man duties were performed by Jeff Kinsella of Mission Hills, Jack Bleir, North Hollywood; Jon Rensen, North Hollywood; Cedric Wilder Los Angeles and Dennis Fritsinger brother of the bride were ushers.

"I LOST 38 INCHES REDUCING WITH PAT WALKER. I'M SO GLAD TO HAVE MY NEW FIGURE, NOW THAT I'M SHOPPING FOR A SIZE 5 THIS HOLIDAY SEASON."

says prominent artist, Gaydell Baines

This photo of Gaydell Baines and Pat Walker was taken after Mrs. Baines had lost 38 1/2 inches. Read what Mrs. Baines has to say about her Pat Walker Program. As told by Gaydell Baines

Gaydell Baines, a member of Conservative Art Association, is a prominent artist who has won many awards for her oils. Working predominantly in still life and especially noted for her paintings of flowers, she has gained an enviable reputation for excellence in her work. Miss Baines has demonstrated her technique in numerous art shows and teaches at Fernie's Art Center.

"In my profession as an artist, I get exercise only in my right arm, which naturally, as a result of painting all day is extended and is a detriment to my posture. I think that partially because I was engrossed in my work, I didn't notice how the weight and inches had crept up. After trying several different diets and methods of reducing, I saw a Pat Walker advertisement and thought I

would try the Pat Walker Figure Perfection method.

When Pat Walker told me I could regain my former size, I thought it would be fun... now, I know the feeling of pride, which is, more important, that comes from being proud of regaining my youthful figure. I am now a size 5, have lost 3 inches in my underbust, 5 inches in my waist, 6 inches in the abdomen, 4 1/2 inches in my hips and even 2 inches from each underarm—for a total loss of 38 1/2 inches overall! And my posture has improved greatly.

Before reducing with Pat Walker, I couldn't seem to find clothes I liked; now I know it wasn't the clothes... because nearly everything I am buying in the smaller sizes looks well on me, and more important, makes me feel contemporary."

—Gaydell Baines

"FOR TODAY'S BUSY EXECUTIVE, THERE IS NO FINER, SURE WAY TO LOSE WEIGHT WHILE RELAXING THAN THE PAT WALKER METHOD",

says CABELL HATFIELD, flight test engineer.

As a resident flight test engineer for a leading manufacturer of inertial navigation systems and communications equipment, I am under extreme pressure and tension, like many other men in this and related fields. I can remember when I played golf three times a week, jogged every day and did some exercising at home. Since I haven't the time to do all these things, I began looking for some reducing and exercising method that would let me eat my cake and have it, too. I found the answer at Pat Walker's. I admit that when I read the Pat Walker advertisement, I was a bit credulous, but since I was getting heavier and simply didn't have time to play 18 holes, change into a sweatsuit to jog, or just too beat to exercise, I'd better do something.

Since I began my Pat Walker program a short time ago, I have lost weight and have firmed up my body as well. I simply can't say enough about how great I feel. With the Pat Walker method, I get the equivalent of the strenuous exercises without the tiring after effects. After a treatment, I actually feel invigorated and relaxed. Instead of being exhausted, I am full of energy.

My weight was really getting up there, too. Anyone in the business knows that the constant meetings, lunches and the banquet circuit all help to put on the pounds. And let's face it, most men are really interested in how they look. I personally enjoy the new men's fashions and have quite an extensive wardrobe, which incidentally is beginning to look much better on me now that I've lost some weight and am firming up. I will tell anyone that for today's busy executive, there is no finer way to lose weight and relax while doing it than the Pat Walker method!

Beautification winner

The Montclair residence of the Archie Hoffman family was named the monthly winner by the Garden Section of the Montclair Vista Woman's Club on merit of the Hoffman's landscaping. The Garden Section and the Community Improvement Committee of the woman's club work hand-in-hand to strive for community beautification.

P.O. window service available Saturdays

MONTCLAIR - Postmaster Anthony L. Zangri is advising all Montclair postal customers that Saturday window service will be provided this year during the month of December on the dates of December 5, 12, and 19, from 8:30 a.m. to 12:30 p.m.

"Don't take a chance on disappointing someone you love, send your gift parcels and cards early enough to insure their delivery before Christmas after," Postmaster Zangri said.

"On the day after Christmas a post office building can be the most depressing place in the world," the Postmaster added, "if it still contains a mountain of messages of love and cheer that didn't make it because they were mailed too late."

Such disappointments can be avoided if Christmas mailers will observe the following mailing schedule:

Gift parcels going to distant states should have been mailed by December 1. Parcels going to local and nearby areas should be mailed not later than December 11.

The name and address of both the sender and addressee should be enclosed in each gift parcel to permit identity in case of damage or loss of the outside address label. The outside label should be placed on only one side of each parcel.

Greeting cards going to distant states should be mailed not later than December 10. Cards going to local and nearby areas should be in the mail by December 15.

Postmaster Zangri also emphasized the importance of using ZIP Codes and adding a return address to all Christmas mail. It only takes a couple extra seconds, but pays big dividends. ZIP Codes enable postal employees to sort and handle the mail faster.

A return address insures that mail that can't be delivered because of an illegible or incomplete mailing address will be returned to the sender.

All Montclair postal customers are again reminded that due to the limited number of parking spaces in the parking lot, temporary parking is provided in the green curbed area in front of the post office.

WHEN TO SPRINKLE
Although the time of day is not particularly important, early morning is preferable to midday, when water evaporates rapidly, and evening, when the turf stays wet longer and becomes susceptible to fungus disease. After breakfast and two hours or so after lunch are other favorable sprinkling times.
